## USMLE® Step 1 Preparation Course in Vitebsk, Belarus!

Vitebsk State Medical University and Kaplan Medical, the world leader in USMLE preparation for more than 40 years, is pleased to announce the USMLE Step 1 live in person program in Vitebsk, Belarus. Kaplan's world class US medical faculty will fly to Belarus and provide you with the quality, structured, interactive experience normally only offered in our American Kaplan centers.

High USMLE scores are critical to be competitive for US medical residency positions, with program directors typically accepting applicants who have scored competitively and on the first attempt. The USMLE is also recognized by some hospital employers and licensing bodies in a variety of localities, such as New Zealand; Ontario, Canada; Dubai; and Qatar. We hope that you can take advantage of this unique opportunity. Seating is limited—enroll today!
