The Educational Establishment "Vitebsk State Order of Peoples' Friendship Medical University" (VSMU) would like to inform you that on social media there is circulating viral information with fake contents regarding the university and its official representatives.

In this regard, we draw your special attention and assure you that tuition fees, hostel fees, registration fees are paid directly to the university and these payments are clearly mentioned in the bank letter issued by VSMU. If you apply through one of our official representatives, they can charge their professional fees by signing a contract with the student and parents, explaining the relevant fees and service charges.
