Notice to the Public

Confirmation of Minimum Entry Criteria and Official Representatives

Vitebsk State Medical University (VSMU) is one of the leading State Medical universities in the Republic of Belarus serving for Sri Lankan students from early 1980s. Many Sri Lankan students have graduated from our prestigious Medical University and performing their duties as Medical practitioners in Sri Lanka as well as Australia, United Kingdom, United States and many parts of the world.

Academic Program

6 year Doctor of Medicine program at our university is conducted fully in English Medium.

Minimum Entry Criteria for Doctor of Medicine Program

We strictly advise the Sri Lankan students to follow Sri Lanka Medical Council minimum entry criteria of C,C,S/C,C,D passes in the subject combination of Biology, Chemistry and Physics at Local/London Advanced Level examination if they wish to appear for the ERPM examination and practice medicine in Sri Lanka. Mathematics unacceptable.

Official Representatives

Students can lodge their applications to join our study programs through our official representatives listed on our web site under "Official Representatives". You may follow <https://www.vsmu.by/en/fpig-en-representatives.html> to obtain more information about our official representatives.

Vitebsk State Medical University strongly advise the students to not to approach or hand over personal documents including passport copies and certificate copies to any other organisations/Individuals other than our official representatives listed above in applying to our prestigious university.

Organisations/Individuals without any official agreement with the university have no rights to advertise and recruit students on behalf of the University. VSMU cannot be responsible for any incorrect information provided, any payments made to such unknown parties or any other adverse repercussions students may face in approaching such unauthorized entities/Individuals seeking admission to our university.
